Both of them, on the con-(1st) From 1st Jan, to Sist Mar., 1870, 281,000 | trary, have had occasion to mark with pleasure, appears in the Hougkong Government Ca-" 31st Mar, to 13th May, " 170,600 the value of the dimate in South Formosa in sette :-relation to chest diseases, and the marked into BRITISH CONSULATE, CANTON,

Sir, Referring to your despatch No. 647, of A large business has again been transacted, If now we compare this result of four and a folicial report forwarded to the Inspector half months with the total export of Sugar for General of Customs at Pekin, took occasion to half months with the total export of Sugar for General of Customs at Pekin, took occasion to half months with the total export of Sugar for General of Customs at Pekin, took occasion to half months with the total export of Sugar for General of Customs at Pekin, took occasion to the British harque Crofton on the Island of half months with the total export of Sugar for General of Customs at Pekin, took occasion to the British harque Crofton on the Island of half months with the total export of Sugar for General of Customs at Pekin, took occasion to the British harque Crofton on the Island of half months with the total export of Sugar for General of Customs at Pekin, took occasion to the British harque Crofton on the Island of half months with the total export of Sugar for General of Customs at Pekin, took occasion to the British harque Crofton on the Island of half months with the total export of Sugar for General of Customs at Pekin, took occasion to the British harque Crofton on the Island of half months with the total export of Sugar for General of Customs at Pekin, took occasion to the British harque Crofton on the Island of half months with the total export of Sugar for General of Customs at Pekin, took occasion to the British harque Crofton on the Island of half months with the countries of the supplies and the British harque Crofton on the Island of half months at Pekin, took occasion to the British harque Crofton on the Island of half months at Pekin, took occasion to the British harque Crofton on the Island of half months at Pekin, took occasion to the British harque Crofton on the Island of half months at Pekin, took occasion to the British harque Crofton on the Island of half months at the British harque Crofton on the Island of half months at the British harque Crofton on the Island of half months at the British harque Croft the whole year of 1869, we find an increase in urge on him the recognition of the Southern Apomi in the neighbourhood of Macao, I have heavy supply, are either in Hankow or close to favour of the former, to the extent of no less portion of Formosa as a sanitarium for such the honour to state that the Chinese Authorities it. Nearly 40,000 chests in excess of last year have than cost, 147,000. Further, there is at date of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins of the memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins, all of memorial fifteen vessels in the two poins of the memorial fifteen vessels in the two points. The memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the memorial fifteen vessels in the two points of the m memorial fifteen vessels in the two parts, all of them with the exception of two, londing sugar for the coast ports. It is almost certain therefore that the saight experiment in the community of coast ports for the intervence of the climate has also the effect of the climate of two two, will great suspicious of completely against one. Hun-alin by immediately the complete say, after last year's but will dealers will be staggered by what has been done. We have news from Foodow, too, of a probable of the thighest figure is has been done. We have news from Foodow, too, of a probable big staggered by what has been done. We have news from Foodow, too, of a probable of the thigh staggered by what has been done. We have news from Foodow, too, of a probable big staggered by what has been done. We have news from Foodow, too, of a probable to guilt having been brought home to two, will great suspicious of completes and the localers will be staggered by what has been done. We have news from Foodow, too, of a probable big suspicious of completes and the effect of the climate of two news from Foodow, the have news from Foodow, the have the probable to suspend by what has been done.

To confirm that the two probable of the climate of the climate of two news from Foodow, residents must must carnestly protest. That Jeng by name, were executed by decapitation years of more for really cheap Tea; and,

in Formosa, as in all other places, there have yesterday, at two o'clock in the afternoon; judging by what we see around us, we may continue to remain the actual continue to actual con depraved habits, your Memorialists are not strongly on the Prefect who tried these mon, foolish enough to deny, but that the Formosa not to excente them if the least doubt of their climate has this effect in a propondurating guilt existed, but he assured me there was none degree to other ports in China is entirely whatever, and that they deserved to die. There the honour to be. Siv. contradicted by their experience. The whole argument under this head, we conceive, must Your obedient servant. after such testimony, as the above, fall to the D. B. ROBENTSON. ground, as do ulso the remarks on isolation and incertainty of communication with the The Honourable J. GARDINER AUSTIN, Eaq. mainland, seeing that the revival of trade has put an end to both. With a total of 107 vessels which have eleared from the two South-THE RESELLION IN YUNNAN. ern ports between the 1st of January and the

13th of May, it can scarcely be said that these The N. C. Daily News of June 8th has the We have the unexpected news, from Yunnua, that any returns up to and inclusive of the mails now reach us with wonderful exactness that the Imperialists are really making vigorous year 1868, cannot be taken as a gaige to the million two or three days after their arrival in that the Imperanses are really making vigorous capabilities of trade in connection with For- within two or three days after their arrival in headway against the Mahomedans. The two Amey, and there are abundant opportunities nearway against one informant, com-A point of high papertance is the direction which the export trade in siter, as get only in the distance of the first paper in for the transmission of intelligence to the

asking your Lordship to believe that while after missionaries have every work and kind. This lishman, fromerly in charge of a Uninese guafour years trial under most disadvantageous the people as such both frank and kind. This beat at Canton, who lately left Hankow with circumstances, the whole foreign teads in these is true of the Chinese, and still more of the one foreign (Greek) companion, for Tunnan, Southern ports was comparatively small, there civilised Aborigines, amongst whom there pre-with some European fire arms destined to belp There, as in the case of the Talpings, foreign cannon seem to be deciding the day. No notice has been taken in the above states ment of the trade in Campber, for the simple reason that in spite of all that has already been done, the trade is not yet fairly opened to British Merchants, the Chinese Authorities to land with reason that the Chinese Authorities to British Merchants, the Chinese Authorities to land with reason that the Chinese Authorities amongst them, they shew these deeds thing to do, seeing that the heavy talent had and robbery prevented. THE HANKOW TEA MARKET. to British Merchants, the Chinese Authorities canning amongst mem, they show the still resolutely opposing the just fulfilment with a high degree of pride mingled with relative. A majestic steamer, deep in the They are the only Public Company in Hong still resolutely opposing the just fulfilment with a high degree of pride mingled with relative. A majestic steamer, deep in the They are the only Public Company in Hong water, conveying "a noble dozen," touched at kong, that possess really safe boats for distance of the provisions to which they themselves so recential regret. Your memorialists can affirm water, conveying "a noble dozen," touched at kong, that possess really safe boats for disof the provisions to which they themselves so recentral regree, xone memorians to the provisions to which they themselves so recentral regree, xone memorians to the provisions to which they themselves so recently named to the flow is bing setting and charging ships in any weather, the flow is bing setting of Kinking; and charging ships in any weather, recently agreed. Your Memorialists, however, with confuence that the confuence that the least doubt, but that the honest out the Chinese Empire, in which foreigness there it was communicated to the dozen refer. Godown's situated on and near Peddar's nave not the least nonce, our that the monest concern some confirming and ease, and the deed they vished to witness was Wharf; abolition of the Camphor, money, would can move about with more comfort and ease, red to, that the deed they vished to witness was Wharf; secution of the pampuot sunopory, where can move about more about the conflicted already done. Great was the construction to a large and increasing expert of this as regards the people, than amongst the civilized already done. Great was the construction to

PRONUNCIATION. An Anglo-Chinese Dictionary, by the Rev. W. LOBSOHEID, published at the Daily Press Office, Hongkong. MOR scope and practical service this Work stands unrivalled. All the new words which the Chineso have of late years been comnolled to coin to express the numerous objects in muchinery, photography, tolegrep'ry, and in soience generally, which the rap d a lyance of foreign relations has imposed upon them, are here given in extenso. Each and every word is fully illustrated and explained, forming exerises for students of a most instructive nature. Both the Court and Punti pronunciations are

given, the accents being carefully marked on the best principle hitherto attained. The typography displays the success of an attempt to make the Chinese and English type correspond in the sise of body, thereby effecting a vast economy of space, schieving a clearness not previously attained, and dispensing with those vast margins and vacent snaces which have The scope of the work is so great, and its utilitarian purposes so complete, that a re-Also a few copies of the GRAMMAR of the ference to its pages enables a person who understands English to communicate effectively with natives who understand nothing but Chineso. In this respect the work will be found indispensable to all Europeans residing in TOR SALE.

DOMECO'S SHERRY, boitled by Henry China, and to the natives themselves to be China, and to the natives themselves to be plaine subjects fully, with which very lew indeed of them are perfectly acquainted.
